The disclosures included herein are required by Rule 4.241 of the *Unaccredited Law School Rules* and Guideline 2.3(D) of the *Guidelines for Unaccredited Law School Rules*. This Disclosure statement must be provided to each prospective student upon payment of an application fee, but before payment of a registration fee, and to each new or returning student, prior to payment for any academic term. 1. The method of instruction at this law school for the Juris Doctor (J.D.) degree program is principally by correspondence.

Students enrolled in the J.D. degree program at this law school who successfully complete the first year of law study must pass the First-Year Law Students' Examination required by Business and Professions Code §6060(h) and Title 4, Division 1, Chapter 1 Rule 4.3(l), of the *Rules of the State Bar of California* as part of the requirements to qualify to take the California Bar Examination. A student who passes the First-Year Law Students' Examination within three (3) administrations of the examination after first becoming eligible to take it will receive credit for all legal studies completed to the time the examination is passed. A student who does not pass the examination within three (3) administrations of the examination after first becoming eligible to take it must be promptly disqualified from the law school's J.D. degree program. If the dismissed student subsequently passes the examination, the student is eligible for re-enrollment in this law school's J.D. degree program, but will receive credit for only one year of legal study.

Study at, or graduation from, this school may not qualify a student to take the bar examination or to satisfy the requirements for admission to practice in jurisdictions other than California. A student intending to seek admission to practice law in a jurisdiction other than California should contact the admitting authority in that jurisdiction for information regarding the legal education requirements in that jurisdiction for admission to the practice of law.

3. Oak Brook College has not applied for accreditation in the previous five years.
